

UUCR FERRY BEACH WEEKEND

May 30- June 1, 2014

For over 30 years UUCR has spent a weekend together at the Ferry Beach Park Association in Saco, Maine and in recent years it has been early in June.

Ferry Beach is a magical place right on the ocean where you could bask in the afternoon sun, take a morning walk on the beach or through a grove of sunlit trees and enjoy the company of your UUCR community. Our weekend offers a loving community of people, healthy, delicious food, good coffee, campfires, music and time for reflection in addition to a frolic in the surf!

Ferry Beach accommodations include dormitory style rooms that sleep 2-6 adults and have communal bathrooms.
