CELEBRATING 100 YEARS IN OUR CHURCH BUILDING

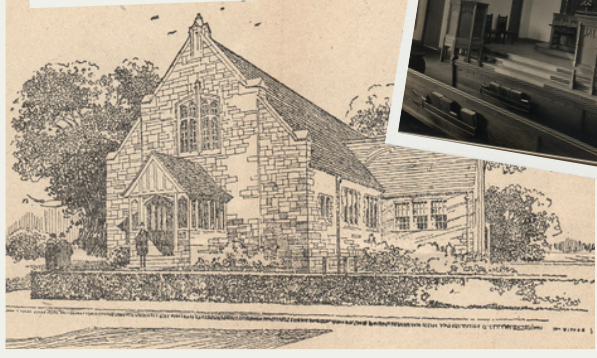

COMMUNITY CHURCH AUDITORIUM TO BE USED SUNDAY FIRST TIME

Reading Chronicle, March 21, 1924

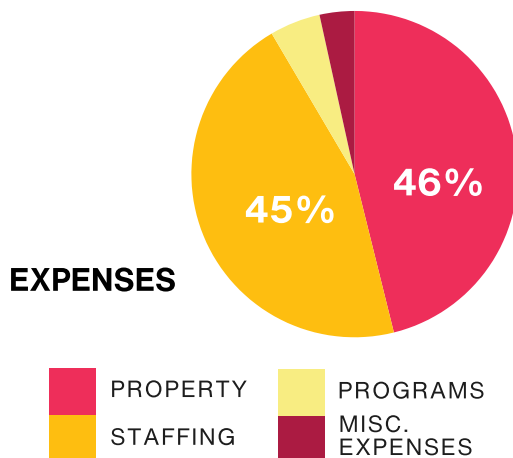

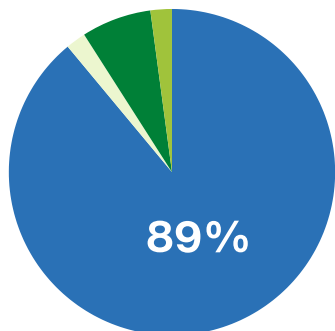

"The [Unitarian] Church will hold its first service in the main auditorium of the new building next Sunday morning."

"The auditorium, when completed, will be one of the most beautiful church interiors of greater Boston."

"The members of the church are planning to make the morning service a worthy beginning of that form of spiritual worship to which the church is to be dedicated... All are cordially invited to both services."

UUCR is a welcoming place to nurture and explore individual spirituality, build a committed and loving community, and help heal the world.

Our goal this year is to have the participation of ALL of our members and friends, and to raise \$365,000.

- If you are already pledging, please thoughtfully consider increasing your pledge by 10% or more.
- If you haven't started pledging yet, now would be a great time to begin!

We continue to gather together to serve, in our commitment to this community and the world.

When our Black Lives Matter banner was stolen multiple times this year, we affirmed our commitment to racial justice with new banners and a new flag.

Because most of our church buildings are at least 100 years old, we re-commit ourselves to the work of maintaining and preserving our historic campus.
