

“In the past three years of our membership, UUCR has become more than just a spiritual home—it has become extended family. As members of liberal Jewish Congregations for most of our adult years we were accustomed to paying dues each month to support the community and its work, so pledging each month to support a community that nourishes us, challenges us to bring our best selves to the world, and supports and encourages us in our zeal for Social Justice work is a no-brainer.”

## UUCR Net Operating Funds, FY 2019 - 2026

Our goal this year is to have the participation of ALL of our members and friends, and to raise \$365,000, which, in conjunction with our increased income from rentals, would allow us to present a FY2027 budget with income surplus, a first since before the pandemic. This would not only build our resilience, but give us resources to grow in faith and action.

- If you are already pledging, please thoughtfully consider increasing your pledge by 10% or more if you are able to do so.
- If you haven't started pledging yet, now would be a great time to begin!

“ My goal is to ensure that every person who crosses our threshold feels a profound sense of belonging and that our dedicated volunteers feel truly supported in their service to our mission. ”

– Melissa Martin,  
Member Services Coordinator

## Living Our Values Through Our Financial Choices

### As an Employer

The Governing Board is committed to paying fair wages. We are working over the next few years to have all staff salaries at the midpoint of the UUA recommended fair wage ranges.

### As Stewards

By providing staff and lay leaders with real-time financial data, we can now include more voices in the budgeting process. This not only helps us make wiser fiscal choices, but also helps us center our values. We are investing in our future by working to be better stewards today.

## Our Next Chapter

We are currently interviewing potential ministerial candidates to partner with us as we continue to grow and develop. We are excited to share in this journey, and proud of what we have already accomplished.
